

Greetings Brothers,

Thank you for completing your registration for our upcoming **83RD Grand Conclave**.

Our 41st Grand Basileus, Dr. David Marion, the Supreme Council, your International Headquarters, and nearly 700 local chapters welcome you to the Queen City of Charlotte, North Carolina.

We are making the final preparations for our very first in-person international meeting since 2018, a gathering we believe will be an unforgettable experience. For over a year, Grand Marshal Bill Council and the Pi Phi Chapter host chapter have worked relentlessly to craft a conclave that would be informative and equally entertaining.

As we gather, we encourage you to pay to your surroundings while remaining mindful of the importance of reporting suspicious behavior to our security team. Our Career and Health Fairs and our expansive Vendor Area will surely provide you with job, retail, and wellness opportunities to enhance your collective conclave experience.

I invite you to join me on **Tuesday, July 12, 2022, at 7:30 PM EST** as we provide a comprehensive **83rd Grand Conclave** preview. To register to attend click on the link here.
