

MEMORIAL

DAY 2026

On this Memorial Day, we pause to honor the brave men and women who gave their lives in service to our nation. Their sacrifice calls us to live with purpose and integrity, reflecting the highest ideals of our beloved fraternity.

As members of Omega Psi Phi Fraternity, Inc., we are especially mindful that Omega Men have answered the call to duty in every era of our nation's history - serving with distinction across all branches of the armed forces. Today, we honor not only their bravery, but also the enduring sacrifices of their families, whose strength and support have sustained generations of service.

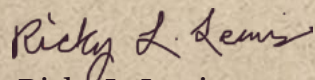

We reaffirm our commitment to Manhood, walking with honor and responsibility; to Scholarship, pursuing knowledge and wisdom; to Perseverance, standing resilient in the face of adversity; and to Uplift, serving and strengthening our communities and the nation.

Guided by our cardinal principals, we recommit ourselves to living in a manner worthy of their sacrifice - leading with character, pursuing knowledge, standing resilient in adversity, and lifting up our communities.

Let's keep their sacrifice and duty to our nation alive in our daily walk. Let this day of remembrance inspire us to honor the fallen through action, service, and unwavering dedication to the ideals we share.

Please pause for a moment of silence in remembrance of their ultimate sacrifice; say a prayer for their loved ones left behind to help ease their pain; and honor the fallen not only in remembrance, but through action - living out our principles each day and striving to be worthy of their sacrifice.

Fraternally,
